CHAMPAGNE BEURTON VINCENT MILLÉSIME 2009

Brut

88/100

Medium deep straw colour with a fine brightness. Quite integrated bubbles, moderate sized. The nose is still youthful with white-fleshed fruits like pear, quince, with some citrus. Displaying quite a good ripeness. A slight hint of sweetness. Medium weight on the palate. It has good extract almost with a slight tannic sensation. Nicely rounded texture with a fine creaminess. Quite mouth-filling. I would say with a quite mellow acidity. It feels quite integrated. Still with a good deal of freshness on the finish.

Nice and rounded in a slightly more opulent style. With a good drinkability for today.
